מספר מיון: E

מדיה: ספרים

סוג: ספרי ילדים ונוער

קהל היעד: ילדים - כתום

תאריך קטלוג: 09/01/2026

### תקציר:

The Selfish Giant didn't like people and people were afraid of him. When the giant goes away the children go into his beautiful garden to play. One day, the giant returns and sees the children in his garden and scares them out. Spring is all around but winter remains in the giant's garden. Only love can bring spring blossom back to the giant's garden.
